

**Dear participants of the Nordic Conference in Systematic Theology  
Uppsala, January 2025**

Thank you for proposing to put forward a short paper at one of our speed paper sessions.

There will be three parallel speed paper sessions at the conference, Friday the 10<sup>th</sup>, 10.45-12.30.

We will allocate all proposals to one of these sessions. More detailed information about groups and order of performance will be published during the week of the conference.

All presenters will be given maximum 10 minutes for their presentation including questions and answers. Therefore, please plan about 5-7 minutes of presentation in order to allow also for some questions and comments afterwards. We have all in all 105 minutes and we will be up to nine presenters during the session. The session chair will be very strict with the 10 minutes limit, after which we will move to the next presenter.

Due to the short time frame, you will not be able to present a powerpoint, please therefore prepare to talk only.

We are looking forward to your presentation. Do contact the organising committee if you have any questions about the sessions.
